

KABIN VASE FAT

Kabin is a series of vases inspired by the classical, simple forms found in Japanese craftsmanship.

The large table vases offer the same stability and complexity as traditional Japanese tea bowls, and their oval-shaped bodies rest on top of a small foot or pedestal, adding refinement to the classic form.

The Kabin series is a love story between Japanese and Scandinavian craftsmanship, resulting in this minimalist collection of vases.

As it is a hand glazed natural product, the colours may vary slightly and as it is not 100% waterproof, a bag for fresh flowers is included.
