Tray, 872/TC
tavolino \ side table

I tavolini della collezione Tray sono perfetti da combinare tra loro, grazie alle diverse forme, altezze e finiture disponibili. L'essenziale struttura in metallo, modulabile in base alle dimensioni del tavolino, sorregge il piano in marmo o vetro temperato retro verniciato, incorniciato da un bordo in frassino curvato che va a creare una sorta di vassoio.

The Tray coffee tables are perfect to combine with each other, thanks to the different shapes, heights and finishes available. The essential metal structure, modular according to the size of the table, supports the top in marble or back-painted tempered glass, framed by a curved ash wood edge that creates a sort of tray.
