Fact Sheet

Monster Rug

Design by Siri Carlén

The Monster patterns by artist and illustrator Siri Carlén are playful exaggerations of markings found in nature. And fittingly, these boldly striped and ringed patterns adorn our largest rugs yet. The Monster collection of floor coverings are made to the highest standards; they are painstakingly hand-knotted by skilled makers in soft new wool, meaning that your Monster will be around to offer deep comfort and vibrant colour for many years to come. Produced in India by a weaving collective to global ethical standards such as GoodWeave, SGS, and Woolmark.
