 TOWER UNITS / COLONNES / COLUMNS

01.2023 - V.2

ITA_ Praticità, funzionalità ed estetica sono gli elementi fondamentali per la composizione di una cucina. Per sfruttare al massimo gli spazi Alta propone molte soluzioni tra le quali le colonne con ante rientranti che svelano contenitori multifunzionali. Le grandi dimensioni definiscono una nuova essenzialità nel rapporto tra le linee verticali e le ampie superfici orizzontali.

ENG_ Practicality, functionality and aesthetics are the fundamental elements for the composition of a kitchen. To make the most of space, Alta offers many solutions, including tall units with recessed doors that reveal multifunctional containers. The large dimensions define a new essentiality in the relationship between the vertical lines and the large horizontal surfaces.

FRA_ La praticité, la fonctionnalité et l'esthétisme sont les éléments fondamentaux pour la composition d'une cuisine. Pour utiliser au meilleur les espaces, Alta propose de nombreuses solutions, notamment des colonnes avec des portes rentrantes qui révèlent des meubles multifonctionnels. Les grandes dimensions définissent une nouvelle essentialité dans la relation entre les lignes verticales et les grandes surfaces horizontales.

ESP_ Practicidad, funcionalidad y estética son los elementos fundamentales para la composición de una cocina. Para aprovechar al máximo el espacio, Alta ofrece muchas soluciones, entre ellas los muebles altos con puertas rentrantes que dejan ver contenedores multifuncionales. Las grandes dimensiones definen una nueva esencialidad en la relación entre las líneas verticales y las grandes superficies horizontales.
