libreria autoportante \
freestanding bookshelf

Ispirata alle pagine aperte di un libro, la libreria Pages si caratterizza per i montanti scolpiti in legno massello, dalle linee sinuose e asimmetriche, che evocano la dolce curva della carta sfogliata. La sua struttura rigorosa e dinamica riflette l'expertise di Potocco nel combinare forme morbide e geometriche in un equilibrio armonioso. La libreria è disponibile in due varianti: la versione totalmente in frassino in 3 altezze (disponibile a 6, 4 e 2 ripiani) e la versione in frassino con ripiani in vetro specchiato bronzo (disponibile a 2 e 4 ripiani).

Inspired by the open pages of a book, the Pages bookshelf is characterized by solid wood uprights with sinuous and asymmetrical lines that evoke the gentle curve of turned paper. Its rigorous and dynamic structure reflects Potocco's expertise in combining soft and geometric shapes in a harmonious balance. The bookshelf is available in two variants: the fully ash wood version in three heights (available with 6, 4 and 2 shelves) and the ash wood version with bronzed mirrored glass shelves (available with 2 and 4 shelves).
