Il disegno a fasce intrecciate della base in metallo è l'elemento che caratterizza la famiglia di tavoli e tavolini Bon Bon. Una sofisticata combinazione di materiali, dimensioni e colori, permette di personalizzare il tavolo in base alle specifiche esigenze. A scelta, il piano è proposto in vetro trasparente o bronzo temperato, in noce Canaletto o in una preziosa gamma di marmi. All'insegna della versatilità, la base del tavolo può essere modulata a seconda delle dimensioni del piano disponibile nelle versioni circolare, ellittico, ovoidale e rettangolare.

The design of the metal base with intertwined bands is the element that characterizes the Bon Bon tables and coffee tables' collection. A sophisticated combination of materials, sizes and colors, allows you to customize the table according to specific needs. The top can be chosen among the transparent or tempered bronzed glass version, Canaletto walnut or in a precious range of marbles. In the name of versatility, the base of the table can be modulated according to the size of the top available in the circular, elliptical, oval and rectangular versions.
