table mirror

Beauty in the mirror

A must-have table mirror that will look great wherever you place it. One side is a normal mirror, while the other side has 5x magnification. The mirror rotates securely about its own axis, carried on a wide aluminium frame that also serves as a stable base for the mirror. It is powder-coated for a pleasant matte appearance.

The mirror is a beautiful addition to the popular UME range and is available in all 7 colours: Black, White, Soft Grey, Grey, Eucalyptus, Taupe, Olive Green.

VE2

The collaboration between VE2 and Zone Denmark is based on shared enthusiasm and great chemistry. And of course on VE2's ability to design beautiful and functional products perfectly suited to the users.

Hugo Dines Schmidt and Morten Lauritzen have a knack for encouraging the whole team to come up with ideas, then getting to the core and finding the final solution together. That's why Zone Denmark has celebrated many of its greatest successes with VE2.
