Non-woven paper

L. 372 cm x H. 300 cm
8 panels of 46.5 cm

Either paste the paper or
the wall

Spongeable

Made in Germany

NDL 046

Nebulosus can be combined with Floccus and so cover a larger surface (up to 744 cm).

Printed on a high-quality paper, each decor is 372 cm wide and 300 cm high. Pasting can be done, with wallpaper glue, either on the paper or the wall.

Each decor can be cropped in height (50 cm max) and in length in order to fit every walls while preserving the pattern.
