

TICINO STOOL

design Shibuleru

Stackable stool in solid ash wood, available in natural or charcoal-dyed finishes, with poplar plywood seat frame, and padded seat with polyurethane foam sheet, covered with acrylic fibers.

Upholstery always fixed in leather, or fully removable fabric covers using Velcro, by removing the cover seat pan. Floor support provided by interchangeable tips in black plastic or felt.

Legs

Notes

Wood is a living material; therefore, it can have slight color and dimension changes. The presence of any non-homogeneous color shades is not to be considered a defect but a quality.

For information on the compatibility of the collection's coverings with each product, please refer to the [compliance sheet](#) provided in the "Materials" section of the website.

For leather coverings the "Leather A" or "Leather B" Maintenance Kit is included with the product.
