Diva, 775/TO2
tavolo allungabile \ extendable table

La collezione Diva è composta da tavoli allungabili e madia nei quali la vigorosa presenza del legno di rovere si stempera nella delicatezza del disegno. La base centrale in rovere e metallo conferisce al tavolo Diva una funzione quasi scultorea, rendendolo protagonista del dining. A caratterizzare la madia, un gioco di delicate antitesi: la parte superiore del mobile si sviluppa seguendo una linea arrotondata alle estremità, contrapponendosi alla geometria creata dall'incrocio delle gambe.

The Diva collection is composed by extendable tables and sideboard in which the vigorous presence of oak wood is tempered in the delicacy of the design. The central base in oak wood and metal gives the Diva table an almost sculptural function, making it the protagonist of the dining room. To characterize the sideboard, a game of delicate antithesis: the upper part of the unit develops following a rounded line at the edges, contrasting with the geometry created by the crossing of the legs.
