

**BRUTUS COFFEE TABLE**

Inspired by the Brutalist architecture movement of the mid-20th century, the Brutus collection comprises a dining chair, a lounge chair, a stool, and a coffee table cast in lightweight fiber concrete creating a unique surface texture increasing mobility.

Each piece is hand painted to create a textured, unique surface. Emphasizing the fine balance between sharp architectural lines and a somewhat softer curve in the back and armrest, the Brutus collection is sculptural statement pieces with a compelling seating comfort.

### BRUTUS COFFEE TABLE

Inspired by the Brutalist architecture movement of the mid-20th century, the Brutus collection is reimagined in solid oak with a natural finish, highlighting the raw beauty and timeless appeal of the material itself. Featuring a lounge chair, coffee table and two dining chairs, each piece is carefully crafted to showcase the interplay between architectural strength and organic warmth. The solid oak construction enhances the sculptural quality of each design, where sharp, defined lines meet gentle curves of the backrests and armrests. This balance of hard and soft creates a visual dynamic, making the Brutus collection both striking and approachable. The natural finish allows the wood's grain and texture to shine, offering a refined yet raw aesthetic that evolves beautifully over time. Made from FSC-certified American Red Oak, each piece in the Brutus collection is handmade by skilled craftsmen. Ensuring a flawless execution with seamless connections between various components, the Brutus furniture exudes minimal and clean aesthetics.

Each piece in the Brutus collection stands as a statement of craftsmanship and design, seamlessly merging architectural precision with the inviting warmth of natural oak.
