

Brute Vase

Fact Sheet

Brute Vase

Design by Jonah Takagi

Brute is not delicate or demure, this is a brave, brutish, space-grabbing vessel hunkering down on your sideboard or coffee table. Brute will be happy enough to provide a bold decorative feature when empty, or fulfill its job as a generous container for a bounty of flowers. This unusually faceted shape from Jonah Takagi is inspired by brutalist architecture, it appears different from every angle thanks to its distinct faces. Each sculptural vase is hand-blown and hefty, generous in scale and material. Choose from three possible colors or a confetti-effect finish.
