Pleat Pitcher

Omayra Maymó

The Pleat pitcher adds to our growing collection of table top items that mix everyday functionality with a sculptural touch. Alongside Ripple and Aura, a polished stainless steel silhouette allows it to reflect its surroundings whilst maintaining a unique presence. With one simple pull on the cylindrical exterior, a perfect spout is formed. Whilst creating a highly functional piece, this action accentuates both the strength and simplicity of the Pleat pitcher.

About the designer Omayra Maymó

The studio of Argentinian designer Cristián Mohaded focuses on objects with an innate simplicity and sensitivity. Combining natural materials with geometry and technology, he is able to design with an honesty and sensory richness. Each piece contains an individual story, while at the same time connecting together through a genuine and transparent approach to design.
