

## Julien Colombier **Krabi wallpaper**

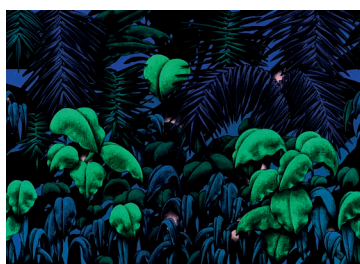

Ref.: NDL 069

Archival paper for inkjet printing,  
uncoated

L. 418,5 cm x H. 300 cm  
4 panels of 104,5 cm

Fragile surface, dust only  
Do not sponge

Made in France

NDL 069

Printed on a high-quality archival paper, Krabi comes in 4 panels to assemble. Pasting has to be done, with wallpaper glue, only on the wall.

Inkjet printing on uncoated paper makes the surface of this decor very fragile, therefore it must not be sponged. Only dust it carefully.

Each decor can be cropped in height (50 cm max) and in length in order to fit every walls while preserving the pattern.
