Product Fact Sheet - Furniture - Tembo Lounge Chair

Tembo Lounge Chair

Nørgaard & Kechayas

Functionally sitting between a lounge and an armchair, Tembo's extended arms invite you into its warm embrace. Its unique form allows the Tembo Lounge Chair to be social, while at the same time creating a space for reflection. The big, soft elephants ear exterior provides a striking form, while the choice of colours and textures can create a playful addition, or a bold statement piece.

About the designer Nørgaard & Kechayas

The design duo Noergaard and Kechayas present honesty within their approach to accessible design, with the only obstacle being their creativity. With a strong connection to material and craft, combined with Noergaard's reflective mind and Kechayas' action charged approach, the duo is focused on problem solving solutions with a strong visual language.
