100% hand tufted wool

160 cm x 105 cm

Vacuum regularly

Made in India

What is more mysterious than an owl's face ?

Strix is a tribute to these fantastic and beautiful birds and a lucky charm rug.

From a long process of drawing with chinese ink, this work leads to a hand tufted carpet made of high quality wool.

At the beginning, the rug can lose some fibers. This sloughing is normal and disappears after a few weeks.
