# Puffy Ottoman

Design by Faye Toogood

The detachable upholstery of the Puffy Lounge Chair is fat and plump, its generous shape spills freely over the sides of a tubular steel frame which, in stark contrast, is hard-lined and strong. The two key elements of this seating design by Faye Toogood are in purposeful and playful juxtaposition. The elementary frame is inspired by the rational structure of classic modernist design, whilst the extravagant quilt-like upholstery warmly embraces and envelopes, is comforting and reassuring. The Puffy Chair frame is available in powder-coated or sand-blasted steel finishes and a choice of thick canvas, chunky bouclé or luxurious leather upholstery.
