SPHERE VASE BUBL SHISEN BIG

The Sphere collection has become synonymous with the visual language and the signature series of 101 Copenhagen. The series is a family of unique silhouettes and textures gathering in a decorative and sculptural manner. Elegantly sculpted, each vase is finished with an intricate ornate detailing. Inspired by ancient Chinese vases, a palette of faded earth tones is characteristic of the Sphere collection which was developed in close collaboration with highly skilled ceramists, ensuring the precise contrast between the smooth shapes and sharp edges. As it is a hand glazed natural product, the colours may vary slightly and while it is not 100% waterproof, a bag for fresh flowers is included.

Sphere Shisen is a new edition to the Sphere series, offering a unique detailed finish, with the attempt to create a unique surface of hundreds of small circles fading into a tactile pattern. Shisen is Japanese for a mesh or the way of seeing things.

As it is a hand glazed nature product, the colours may vary slightly and as it is not 100% waterproof, a bag for fresh flowers is included.
