# Lager Trolley

Named after the Danish word for ‘warehouse’, the Lager Trolley finds its inspiration in the raw and industrial aesthetic associated with brutalism. This sculptural trolley serves as both a visually captivating piece and a functional addition to your home. Utilize it as a stylish bar cart, elegantly displaying your favorite glasses and refreshments, or as a versatile side table or practical storage solution in your home office. The geometric design ensures a unique expression from every angle, while the wheels provide effortless mobility, allowing you to easily move it around to suit your needs. Experience the perfect blend of form and function with the Lager Trolley, a striking piece that adds character and utility to any space.

# Lager Dining Table

Named after the Danish word for ‘warehouse,’ the Lager Dining Table pays homage to classic utilitarian forms. Fashioned from aluminium, the table embodies a sleek contemporary aesthetic reminiscent of brutalist design principles. Featuring a raw satin finish, the aluminium legs enhance its sharp, angular form while providing robust support. The elegant glass tabletop subtly contrasts with its base, offering versatility to serve various spaces and occasions. The table’s versatile design makes it suitable for kitchens, dining rooms, and office spaces alike.
