

Cana series

Designed by Steffensen & Würtz, Denmark

These beautifully crafted Cana Wardrobe will bring an elevated elegance into any bedroom. Available in two depths and heights and with either shelves or room for hangers, each fitted with a practical drawer showcasing the beautifully airy front in French wicker, that characterises the Cana series. Choose between two different door options; in wood for closed storage, or in glass to display all your favourite garments.

Meet the designer

With an honest approach to design, we strive to create designs that push your boundaries and create value in your everyday life. We love challenging our creative and methodological approach in order to create products and furniture that make sense and possess great personality. A product design should awaken your curiosity and even make you smile. We are always ready for giving you our say on tomorrow's designs.
