MODULI DISPONIBILI | AVAILABLE MODULES

REGOLE DI UTILIZZO | USAGE RULES

CERNIERE AMMORTIZZATE OPZIONALI

Gli Armadi Battenti sono dotati di cerniere NON ammortizzate per il rallentamento automatico dell'anta.
Maggiorazione anta per cerniere ammortizzate + 20€.

NOTE DI SICUREZZA

L'apertura contemporanea di tutte le ante, con armadio completamente vuoto, può causare il ribaltamento dell'armadio, per questo l'azienda ritiene obbligatorio ai fini della sicurezza un fissaggio a muro.

FUORI MISURA

Per la riduzione del modulo e delle ante del suddetto modello vedere la pagina relativa alle soluzioni a misura. Pag. 394

SOFT-CLOSING HINGES

Swing cabinets are NOT equipped with dampened hinges for automatic sliding of the door.
DOOR EXTRA CHARGE DAMPENED HINGES: + 20€ PER DOOR.

SAFETY NOTES

The simultaneous opening of all the doors, with the cabinet completely empty, can cause the overturning of the cabinet, for this reason the company considers it is mandatory to fix it to the wall for safety purposes.

CUSTOMIZATION

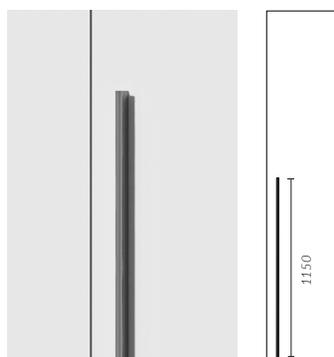

For the reduction of the module and the doors of the above model see the page relating to customized solutions. Pag. 394
