

Design Mario Ferrarini

Lyz, 918/G
sedia dining girevole \
swivel dining chair

La sedia e la poltroncina dining Lyz mostrano la sapiente capacità dell'azienda nel lavorare il legno, mettendolo in relazione con diversi materiali. Un rapporto vicendevole dove il massello di frassino diventa la struttura su cui si sviluppa il rivestimento, disponibile nei tessuti e pelli di collezione, visibile da ogni angolazione della seduta. Le sedute sono presentate nella versione con scocca interamente imbottita o con inserto in legno, e poggiano su diverse basi: le varianti in metallo, a cono e girevole, oppure a quattro gambe in legno massello.

The Lyz dining chair and dining armchair show the company skillful ability to work wood, relating it to different others. A mutual relationship where solid ash becomes the structure on which the upholstery develops, available in the fabrics and leathers as per collection, visible from every angle of the seat. The seats are presented in the version with fully upholstered seat or with wooden insert and rest on different bases: the metal variants, cone and swivel, or four-legged solid wood leg.

La sedia e la poltroncina dining Lyz mostrano la sapiente capacità dell'azienda nel lavorare il legno, mettendolo in relazione con diversi materiali. Un rapporto vicendevole dove il massello di frassino diventa la struttura su cui si sviluppa il rivestimento, disponibile nei tessuti e pelli di collezione, visibile da ogni angolazione della seduta. Le sedute sono presentate nella versione con scocca interamente imbottita o con inserto in legno, e poggiano su diverse basi: le varianti in metallo, a cono e girevole, oppure a quattro gambe in legno massello.

The Lyz dining chair and dining armchair show the company skillful ability to work wood, relating it to different others. A mutual relationship where solid ash becomes the structure on which the upholstery develops, available in the fabrics and leathers as per collection, visible from every angle of the seat. The seats are presented in the version with fully upholstered seat or with wooden insert and rest on different bases: the metal variants, cone and swivel, or four-legged solid wood leg.
