BLOSSI 8

Design: Sofie Refer, 2018. EU-model.

Blossi 8 in mouth-blown Clear glass and Nordic Gold finish. Incl. Ceiling plate.

Inspired by the golden light during the Nordic fall, Blossi Collection is designed to give an indirect and soft light.

A special recessed LED provides a soft light reflected in the metallic finish of the shade. Blossi Collection has beautifully rounded glass lampshades that complete the soft appearance.
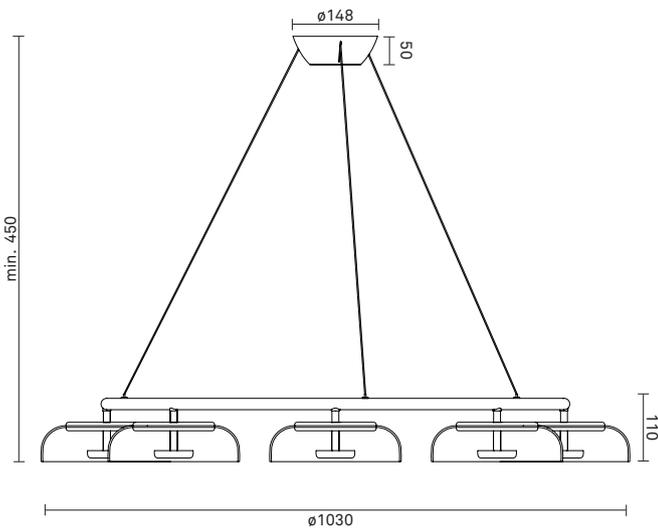

The Blossi collection has a wide variety of uses and is suitable for both domestic and public spaces.

Blossi 8 is a statement chandelier, suitable for both domestic and public spaces. The chandelier is perfect for a living space or entry where you aren't awarded the luxury of high-ceilings.
