Softy, 959/L lounge \ lounge

La poltrona lounge Softy combina un design rigoroso e geometrico con un tocco ironico e accogliente. Progettata dal designer ucraino Vladislav Tolochko, questa seduta completamente imbottita si distingue per i suoi volumi pieni, proporzioni compatte e forme sinuose. Le gambe cilindriche seguono l'intera silhouette della poltrona, delineando il perimetro della seduta circolare e proseguendo ai lati dello schienale, che presenta un profilo curvo e avvolgente. La struttura interna assicura una forte resistenza, mentre l'imbottitura e il rivestimento garantiscono comfort e morbidezza.

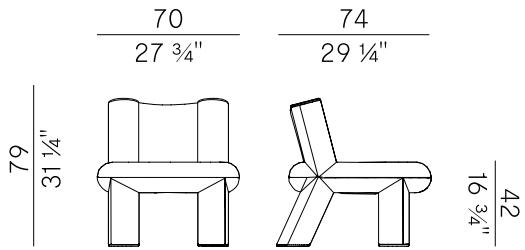

The Softy lounge armchair combines rigorous and geometric design with an ironic and welcoming touch. Designed by Ukrainian designer Vladislav Tolochko, this fully upholstered seat stands out for its full volumes, compact proportions, and sinuous shapes. The cylindrical legs follow the entire silhouette of the armchair, outlining the perimeter of the circular seat and continuing to the sides of the backrest, which features a curved and enveloping profile. The internal structure ensures strong durability, while the padding and upholstery provide comfort and softness.
