# Hunk Lounge Chair with Armrests

Design by Kwangho Lee

The elemental block-like form of the Hunk armchair is especially characteristic of designer Kwangho Lee. In fact, the Hunk Chair is extra in every way. With exaggerated proportions, a profile so chunky it would make The Flintstones blush, and a ground-breaking construction made entirely from natural materials, Hunk is a whole lot of easy seating and conscientious furniture design. Although geometric in form, the chair's deep natural upholstery is made for melting into - natural latex and coco mat provide extreme cushioning whilst a fine bouclé textile creates a super-soft finish. Hunk is destined for lounging greatness.
