Product Fact Sheet - Lighting - Kizu Table Lamp, Large

Kizu Table Lamp, Large

Lars Tornøe

Composed of two bold sculptural forms, the Kizu Table Lamp displays a weightless balancing act. The illusion of gravity creates a tension within the piece, while its curved forms initiate a calming effect. This kissing point of material and function creates an object in perfect harmony.

About the designer Lars Tornøe

Norwegian design Lars Tornøe works across the areas of furniture and product design with a sculpted simplicity. His work is understated but bold. Having graduated from the Bergen Academy of Art and Design in 2006, Lars has been named Norwegian Designer of the Year and had his work exhibited from Stockholm to Seoul.
