

Sen, 886/M  
credenza \ cabinet

Ispirata al disegno delle tradizionali porte giapponesi in carta di riso, Sen è composta da madie e credenze caratterizzate da volumi in frassino, alleggerite visivamente dall'intreccio di griglie in massello applicate ad ante scorrevoli in vetro, che celano al loro interno ripiani a diverse altezze. La collezione Sen, disegnata da Chiara Andreatti, si arricchisce di una nuova misura intermedia di madia che risponde alle esigenze di spazi più contenuti, mantenendo inalterata l'eleganza e la funzionalità che definiscono la collezione.

Inspired by the design of traditional Japanese rice paper doors, Sen is composed of sideboards and cabinets characterized by ash wood volumes, visually lightened by the interweaving of solid wood grids applied to sliding glass doors, which conceal shelves at different heights. The Sen collection, designed by Chiara Andreatti, is enriched with a new intermediate-sized cabinet that meets the needs of more compact spaces, while maintaining the elegance and functionality that define the collection.

## Informazioni tecniche \ Technical information

Descrizione tecnica \  
Technical description
