

Ms. Bowjangles Tall
ANNA BOCH, DAVID ENGELHORN, 2023

The spring steel rod and the colourful textile rope make the characteristic curve a visual delight. While the orange or olive-green rope dances gracefully around the black metal rod and seems to embrace the shade, the movable lamp design is characterised by clear lines and curves. With a height of 2.20 m, the Ms. Bowjangles Tall offers an attractive appearance. It also features an uplight and downlight built into its shade, providing plenty of warm light in large rooms, which makes it an ideal centrepiece. As with the other versions, the lamp's height can be easily adjusted. The large and small floor lamps can also be used as wall lights with a bracket.

Light source

LED 27W (23W/ 4W), 3300 lm (Downlight 2900lm/ Uplight 400lm), 2700K, CRI > 90

Technical data

Plug-in power supply 100-240 Volt, secondary 48 Vdc, Plug-in power supply with foot dimmer
