

MOON

design Mist-o

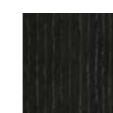

Bedside table composed of two semi-cylinders in multilayer curved natural or charcoal dyed oak 7 mm thick with water-based finish or tobacco-dyed oak, with acrylic finish. Base, shelves and top in 15 mm thick MDF veneered with oak plates. Weight stabilizer screwed to the fix base and floor support provided by plastic tips; moving part equipped with castors for opening.

The two portions are hinged together, and magnets inside the structural frame ensure sturdy closure. Available in right and left version.

Notes

Wood is a living material; therefore, it can have slight color and dimension changes. The presence of any non-homogeneous color shades is not to be considered a defect but a quality. Please note that the direct sunlight exposure may alter the wood color; therefore, we recommend the periodic position shift of the objects placed on the furniture for the first months to avoid differences in shades between exposed and covered portions.
