

Glyph Side Table

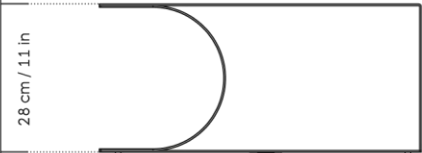

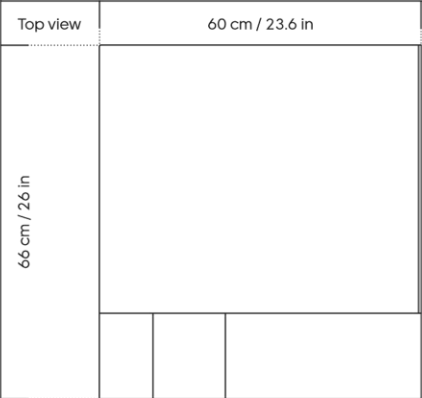

Fact Sheet

Glyph Side Table Alpha

Design by Kwangho Lee

The Glyph tables by Kwangho Lee are like small sculptures punctuating a living space. Each one is an elegant balance of soft curves and crisp lines. Instantly distinct, strikingly charismatic, vivid and compelling, the Glyph tables are furniture as art. Creative customers can flip and turn their Glyph tables to reveal different profiles, each table is versatile and functional with multiple usable surfaces and spaces to support and store lamps, books, magazines and ornaments. The Glyph tables are made from sturdy sheet steel and covered in a powder-coat finish to create a matte and super-strong surface.
