

# Bon Pouf Cube

Design by Hem

The Bon Pouf is ideal for perching upon or supporting tired feet; keep it on hand for any number of uses as an occasional seat, prop, or table. These versatile upholstered ottomans work equally well solo, as a single splash of color and softness, or in a gaggle. A mixed group of Bon Poufs in various sizes creates an interesting landscape of softness across any space. Select a shape that works for you, then choose your upholstery pattern and color (we often make smart reuse of textile offcuts here) to begin your collection.
