Fact Sheet

Alle Round Table

Design by Staffan Holm

The solid-oak Alle Tables by Staffan Holm are a family of furniture that is especially Hem: traditional modes of making reclaimed for modern manufacture; good looks and practicality given equal consideration; engineering and handwork combined; quality materials used liberally. The Alle Round Table shares the same key features as the other members of the family, in particular a softly rounded edge and a clever construction that requires no tools for assembly. Alle means "everyone" in German, and this table is a true reflection of the design principles we cherish. The Round Media variation of the Alle Table comes with media ports and hidden compartments for neat storage and cable management, helping you work more efficiently.
