

ILLO

by Miniforms Lab

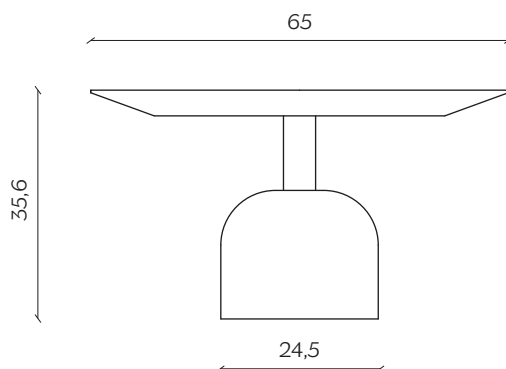

Nella versione tavolino, Illo si addolcisce sempre di più. Con volumi ridotti, si scopre la somiglianza con i pesi da palestra, ma state tranquilli, non dovrete alzarli. Sono una coppia di tavolini dall'aria spensierata e autentica che insegnano il concetto di leggerezza all'ambiente.

In its table version, Illo looks even cuter. With its reduced volumes, it is reminiscent of gym weights, but don't worry, you don't have to lift it! It comes as a pair of tables, and their light-hearted, authentic look are a textbook example of lightness.
