

FUROSHIKI

by e-ggs

Furoshiki è un gioco di pattern e colori. Un involucro di stoffa confeziona l'imbottitura con una geometria rigorosa e una delicatezza tutta orientale. Le cuciture diventano dettagli sartoriali, suddividendo in porzioni precise l'oggetto. Così, le trame e i colori dei tessuti si guardano e si incontrano per poi proseguire in direzioni opposte.

Furoshiki is an interplay of patterns and colours. The fabric upholstery covers the padded seat with precise geometries and an unequivocally oriental delicacy. The seams become sartorial details, dividing the item into precise segments. The weave and colours of the fabrics meet and greet one another, then continue in opposite directions.
