

IDS DINING TABLE

ENGLISH

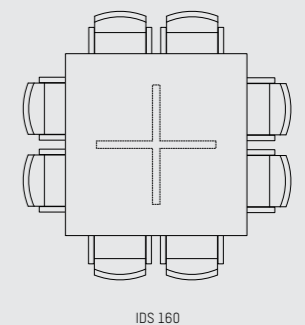

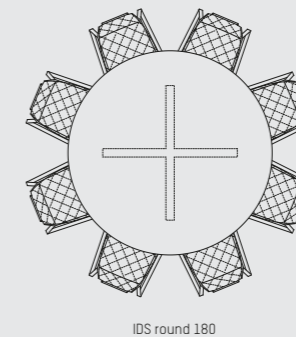

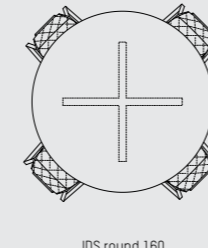

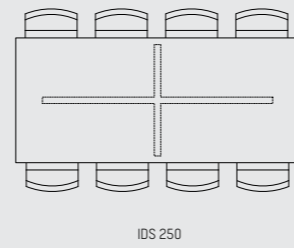

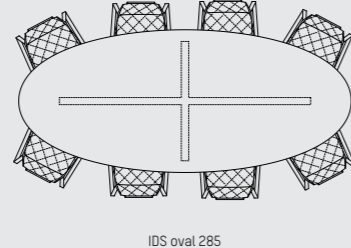

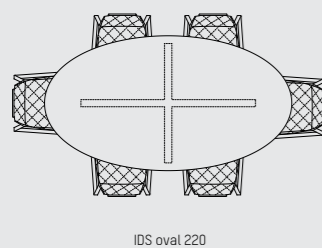

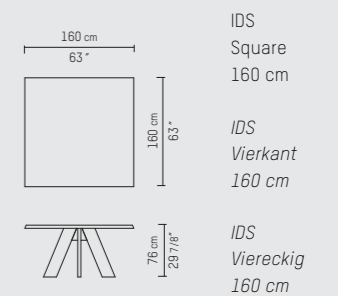

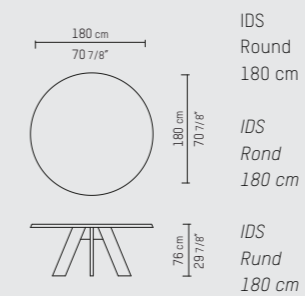

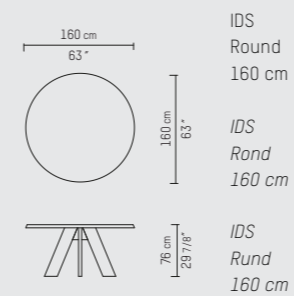

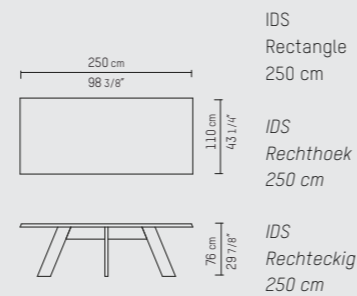

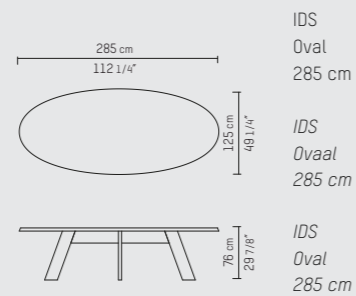

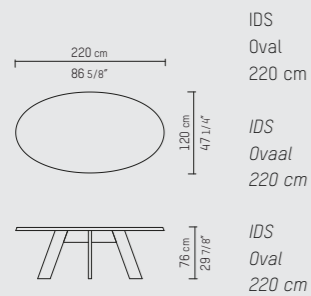

The IDS dining table is inspired by the starting position of a speed skater. Following geometrical lines, the table-top sides are slanted and angled to match the leg positions. Oval, square, round or rectangle, here is a table ideal for creating intimate dining memories.

NEDERLANDS

De eetkamertafel IDS is geïnspireerd op de houding van de benen van een schaatser bij de start. De geometrische lijnen komen terug in het hele design. De randen van het tafelblad lopen af, net als de poten. Verkrijgbaar in ovaal, vierkant, rond of rechthoekig. Een tafel die centraal staat in uw intieme dinermomenten.

DEUTSCH

Die Inspiration für den IDS Esstisch ist die Startposition eines Eisschnellläufers. Die Tischkanten folgen geometrischen Linien und haben den gleichen Winkel wie die Beine. Ob oval, quadratisch, rund oder rechteckig, das ist ein Tisch für intime Abendessen, an die man sich noch lange erinnern wird.
