Carrie Table Lamp, Portable

BY NORM ARCHITECTS

A minimalist innovation for freedom and flexibility, Carrie Table Lamp, Portable with a metal or plastic base and glass shade is unique for its multiple uses and mutability. Useful almost anywhere – even on the go – the cordless design comes with a concealed magnetic connector at its base for easy charging. The plastic base version is approved for outdoor use. It features a USB charger at the base, for standard sockets as well as MENU's Charging Board, which reanimates multiple devices in a single sitting. To preserve battery life, switch the lamp off when charging and do not leave plugged in while in use.
