

AURA MIRROR

The bold materiality of the Aura Mirror is what generates its unique inner glow. Its polished metal form picks up surrounding light, creating diverse reflections through a combination of hard flat surfaces and long curves. Designed to be touched and held, its weight and strength is offset by the softness of its shine and sculptural curved form.

About the designer Bjørn Van Den Berg

The studio of Bjørn Van Den Berg strives to create work with an emotional attachment and a striking presence, turning everyday objects into lasting personal mementos. His objects create this emotional response through the constant presence of memory, tactility, and sensibility throughout his pieces.
