Fact Sheet

Monster Throw

Design by Siri Carlén

Like the luxurious coat of a make-believe beast, the fluffy mohair of the Monster Throws is extravagantly deep, fantastically soft, and boldly decorated. Artist and illustrator Siri Carlén's Monster patterns are playful exaggerations of markings found in nature. Their transfer to textile throws is made all the more effective by the soft fuzz of mohair wool, which makes the throws; Ring, Spot, Stripe and Wiggle, wonderfully warm in winter and enjoyably light and cool in summer.
