# Max Table

Design by Max Lamb

There can be little doubt that the Max Table is furniture that will endure. Boasting extreme length and made from solid ash, this extraordinary and uncompromising design is closer to architecture than object. Designer Max Lamb was given the brief to make a table so strong and so generous, it could be stood upon. He delivered a design that is monolithic, bold, and consequential. Huge in scale, elementary in form, brilliant in construction, the Max Table (and its partner, the Max Bench) will be your home's centerpiece—the hub around which you and yours gather for generations to come
